PROFESSIONAL EXPERIENCE

COOK

'Comptoir à la Une' restaurant | Toulouse | January 2023 - August 2023

I worked in a small restaurant with very few staff, so we did the preparation, cooking and cleaning.

I learnt how to deal with stress with the rush, organisation and coordination.

WAITRESS

'Comptoir à la Une' restaurant | Toulouse | December 2022

'Villa Pampa' restaurant | Le Castéra | 2022 summer season

'Chez Julie' restaurant | Bouzigues | July 2021

I sincerely enjoy waitressing as it is a relational work and I really appreciate human contact.

MEMBER OF THE ANIMATION TEAM OF A SKI CAMP

Ski camp | Lévignac | 19 February 2023 - 24 February 2023

I accompanied children from 7 to 15 years old on the slopes, along with three colleagues. It was a very formating week on several aspects.

EXTRA WITH A WALK-ON PART IN A LOCAL TV SHOW

'Un si grand soleil' TV emission | Montpellier | Ponctual days in 2022 and 2023

I ponctually play extras for a french TV serie for figuration.

BARMAID IN A PUB

'LondonTown' pub | Toulouse | December 2022

I worked a few weeks in a beer exclusively bar where I learnt to manage my tiredness with the nightshifts.

HOME HELPER

'ADPAM' association | Toulouse | October 2022

I worked a month as a home helper for elderly people, which was a domain I had yet to discover and experience. It was a very enriching and touching work as I got to know these people whom were often lonely and very talkative.

PROFESSIONNAL EXPERIENCE

CHILD DAYCARE

'Le petit bois' activity center | Balaruc | 2020 and 2021 summer season

I spent the holiday weeks keeping children, organising activities and accompanying them on beach days. I really enjoyed this job and am looking forward to find the occasion to do it again.

TRAINEE IN A RESEARCH LABORATORY

IRIM CNRS | Montpellier | January 2020 - March 2020

I was selected with a few fellow students to participate in a science research project on AIDS. It permitted me to discover the research and laboratory environment which interested me a lot when I was in high school.

WILDLIFE CONSERVATION TRAINEE

LPO | Villeveyrac | June 2017

I had an internship to do in secondary school, which I did in a center I used to go often when I found wounded animals like birds. This center was specialised in birds and I saw very impressive birds like eagles or bats. I was allowed to feed them and witness veterinary consultations with newly arrived animals.
